96651456	SURFACE MOUNTING KIT 6X3X110 WH
96651593	SURFACE MOUNTING KIT 6X6X110 WH

Any modifications to the luminaire may be carried out exclusively by qualified personnel and according to applicable provisions and regulations. Hot plug-in is not an option! This means that the luminaire must always be disconnected from the mains whenever it is being worked on. Otherwise there is risk of damage to the LED. The manufacturer, shall not be liable for any damage resulting from inappropriate modifications to the luminaire or faulty installation!
