

CORSA PRO

HIGH QUALITY, FLEXIBLE AND RELIABLE DOWNLIGHTS

Corsa Pro is a family of flexible downlights perfect for a range of hospitality applications.

Ease of installation comes as standard and the angle can be easily adjusted with a screwdriver for convenient and fast installation to suit the project needs.

- Diverse options suitable for hospitality applications including different lens with optic accessories available
- Various frame options; round, square and trimless.
- Reduced glare UGR <19, with good cylindrical illuminance.
- 6 types of reflector finishes available as well as a honeycomb accessory for enhanced low-glare
- Different beam angle options to meet different application requirements.
- No light leakage at the back of the housing
- IP54 front side, increased protection for use in high moisture environments
