

## EyeKon LED

### Energy efficient, robust and impact resistant LED bulkheads

- Available in two sizes, four designs and three colour options
- Lumen packages from 400 to 1550 lumens giving options for wider spacing without leaving dark areas
- Presence detection that will switch on when sensor is activated, illuminating the area
- Corridor function that will dim to 10% and switch to 100% when the area is occupied, thus maximising energy savings

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.
