

## IQ Wave SP

**Comfort without compromise for office & education. A logical range extension to the IQ wave family for surface and suspended**

- Design: Form follows function. Simple and flowing lines create a modern but simplistic aesthetic, perfect for an elegant office interior.
- Optics: Innovative and Thorn patented MV tech optic offers excellent uniformity and glare control, direct/indirect light for illuminance on faces and walls to encourage a comfortable, communicative working environment.
- Controls: Integrated sensors allow you to create flexible control systems suited to your needs. Wireless solution controlled via App with Bluetooth® 4.x - basicDim Wireless. Also available are integrated PIR and microwave sensors.
- Additional sensor, controls, wireless, wiring and mounting options are available through myProduct
- Versions adapted for mounting onto Contus trunking available.

*Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.*

96629272

### Material/Finish

Frame and end caps: polycarbonate.  
 Diffuser and body: polycarbonate, aluminium heatsink.  
 Gear tray: pre-coated white steel with polycarbonate endcaps.  
 Contus adapter: pre-coated roll form steel, white (similar to RAL9016).

### Installation/Mounting

Suspended:

Suitable for suspension with included Y suspension Kit and pre-assembled power cord.

Surface:

Suitable for direct surface or BESA mounting, central or end-cap cable entries.

Continuous run:

For Through Wiring on a continuous run – you will require to use myProduct to order the Through Wiring version (see TW in Variants). For continuous run please also order connector kit to connect standard or through wiring luminaires together.

Contus Trunking:

Versions adapted for Contus trunking come pre-assembled, ready to fit quickly and easily with twist & lock mechanical/electrical connections.
