

Katona

The primary choice for secondary areas - the perfect problem solver for the contractor

- IP 65 protection against dust & water, making it an ideal fitting for indoor and outdoor applications
- IK 10 rating resists impacts of up to 20 joules ensuring a high level of protection for public circulation areas
- Clean, smooth aesthetic design reduces dust and dirt accumulation and ensures easy cleaning and lowers maintenance requirements
- Easy installation saving time and money
- · Additional options (wired sensor, wired corridor function, E3D emergency and bluetooth sensor options) are available through myProduct
- Self-contained emergency luminaires rely on long-lasting batteries. The hightech lithium iron phosphate battery used is robust and comes with a three-year guarantee, giving users peace of mind (for further information see respective datasheet).

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.
