

## Novaline Style

**Contemporary versatility and functionality combined with elegant design, for lounge as well as for circulation areas**

- Slim design available in three sizes, with black, white and silver bezels
- Available also with slight indirect light, ensuring comfort and uniformity
- Easy and simple to install, with a quick fix mounting system to optimize installation timings
- Sealed to IP54 and rated IK08 for a high degree of protection
- ADDITIONAL OPTIONS ARE AVAILABLE: DALI Dimmable, Emergency (E3, E3D), Bluetooth control, and different sensors. See myProduct for configuration options.

*Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.*

### Material/Finish

Body: polycarbonate in white, black or silver

Diffuser: opal polycarbonate

### Installation/Mounting

Suitable for installation directly on walls or ceilings. Easy and simple to install, with a quick fix mounting system to optimize installation timing.
